

SLIPCOVER® CREAM TO POWDER FOUNDATION

Designed for a rock star, the oil-free, velvety feel and complexion perfection coverage makes this the star of top film, TV and editorial sets. Transformative cream formula self-sets as a semi-matte powder.

FOUNDATION 39 BRUSH

Pro designed tapered brush with soft synthetic fibers applies, blends and buffs cream and liquid foundation seamlessly into skin.

GLAM

Blurred black insomniac lids bottom out with heavy smolder underneath and a furious flutter of lashes. Diffused blush and party pink lips turn up the volume.

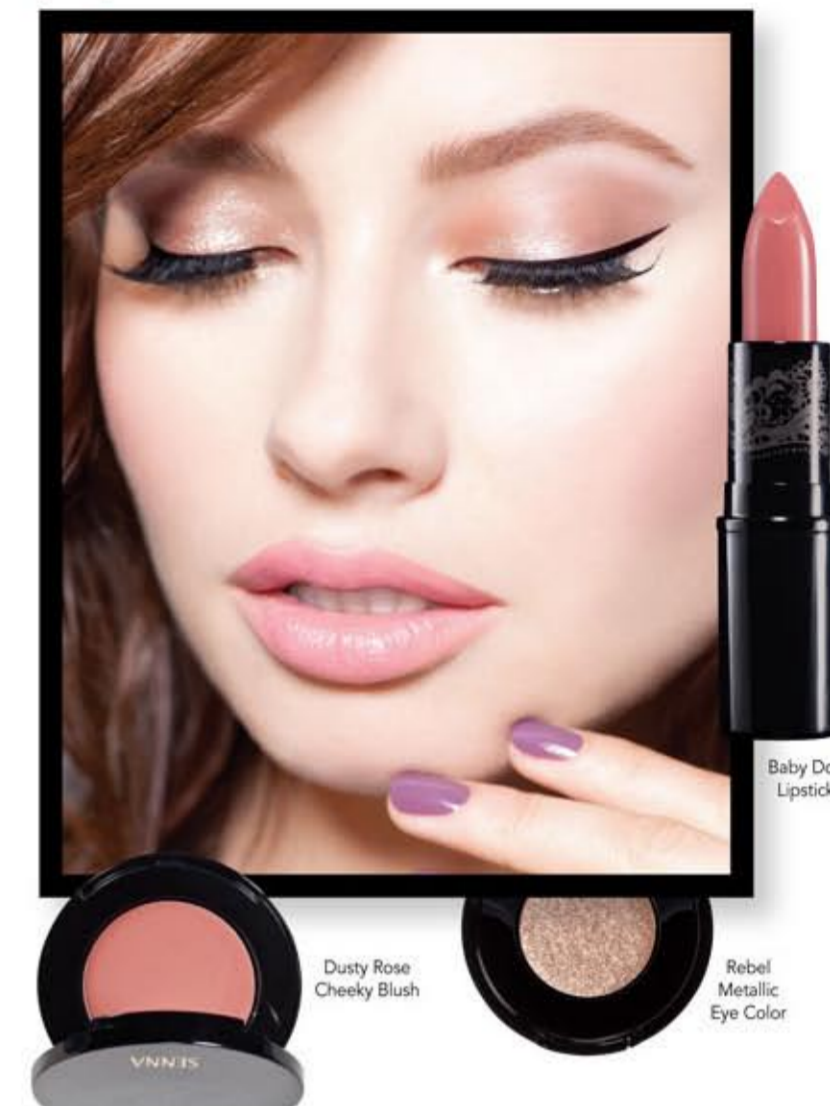

HEAVY METAL

Metal eyes glow in the dark with graphic sections of copper and wine on lids, and bronze at the lower lash line. Lips are berry dripped and drama filled.

CLASSIC

A fiercely glamorous cat-eye shape with shadow patted down wet on the lid and brushed on dry up to brow line. The perfect pink lip and rose cheek chill it out.

FEARLESS BROWS

BROW SHAPER DUO

Amp up your brows! Our new fiber infused powder and pomade duo plumps hairs as it colors in the perfect brow shape. Strengthens and hydrates with Panthenol and Hyaluronic Acid. When the texturizing pomade combines with brow powder, color intensifies and arches are sculpted to perfection.

BROW PRO 40 BRUSH

Firm precision angle brush and groomer blends, defines, shapes and powder fills brows with a hair-like effect.
